## WITH YOUR HELP LANSING WILL CHANGE!

**EACH OF YOU CAN MAKE A DIFFERENCE!** If you want change, together we will bring change to Lansing.

We now have approximately **21 days until Election Day**. It is extremely important that we now work harder than ever together to finish this race. We need your help!

We are still making phone calls to our current volunteer list but we need your help in recruiting additional campaign volunteers.

We have a number of ways that you are able to help which include: come to an upcoming mail labeling party; distribute literature or campaign door to door in your neighborhood; assist with answering the campaign office phone; attend upcoming fundraisers and bring a friend, just to name a few.

If you have friends and family that are willing to help please email additional names, contact information and the type of assistance they can provide to our campaign to Nancy Cunningham at [ncunn@comcast.net](mailto:ncunn@comcast.net) or call her at (517) 272-4650.

## Signs Needed?

We are still in the process of distributing campaign signs at homes and businesses. If you have neighbors or know of a business that would like a sign, please get in touch immediately with Dayle Benjamin by email at [daylebenjamin@aol.com](mailto:daylebenjamin@aol.com) or by phone at 517 372-1455.

**THERE IS STILL TIME  
to get information  
out!**

Do you get your hair done or go to a barber? How about your doctor's office, car repairs or the gym? Yes, these are suggestions as to where you may be able to put information out about Carol and our campaign efforts. You can call Nancy 272-4650 or email [ncunn@comcast.net](mailto:ncunn@comcast.net) and she will arrange for you to get the literature you need to distribute.

**Bring your friends and  
neighbors to an  
upcoming event!**

We need to make these last few weeks outstanding, as many printed materials will be reaching potential voters. This is a chance to have your help **Make A Difference!** Please bring your friends, neighbors or other family members to an upcoming event listed on the 2<sup>nd</sup> page of this newsletter. If you are interested in receiving additional information about these events, please get in touch with Patti Cook at [billpat4552@hotmail.com](mailto:billpat4552@hotmail.com) or by calling 517 675-5656 or 290-7650.
